Re: Request by the leadership of the Lebanese Communist Party

The leadership of the Lebanese Communist Party has requested the CC CPSU that they be gratuitously supplied certain weapons guidance systems and training equipment, in order to organize military training for LOC members (letter from the CC LCP is enclosed herewith).

Considering that the LCP will be supplied artillery/mortar guidance systems, as well as firearms, as per CC CPSU Resolution #P116/20, of August 4, 1978, we believe it expedient to instruct the Ministry of Defense of the USSR and GKES to deliberate the above-mentioned request by the leadership of the Lebanese Communist Party and submit pertinent proposals to the CC of the CPSU, bearing in mind the actual needs of our friends.

CC CPSU draft resolution is enclosed herewith.
