Dear Comrades,

My nephew, Lenin Moreno Jose Faria ^{X)} whom I trust, will arrive in Moscow in October 1980. As a university professor, he has received a one-year sabbatical leave.

It is believed he would undergo his professional training in Moscow, but in reality we would like him to undergo training on security issues, so that in future he would help the Secretary General of the Communist Party of Venezuela.

I thank you in advance for your help in this matter.

Jesus Faria,
Secretary-General of the Communist Party of Venezuela

X) Formally known in the country as Lenin Jose Moreno
