Re: Request of the leadership of the Paraguayan Communist Party

Comrade Ananis Maidana, member of the Political Commission, CC, Paraguayan Communist Party, informs that the PCP leadership has decided on his *clandestine* return to his Fatherland. In view of this, he requests assistance (e.g., *supply of the required documents* [ID papers], equipment, payment of Moscow-Asuncion traveling expenses, and *a one-month special training course*).

We believe it expedient to grant this request of the leadership of the Paraguayan Communist Party. The International Department, CC CPSU, and *the Committee for State Security of the USSR* could be tasked with the *supply of the required documents and arrangements for a one-month special training course*. The cost of equipment and Moscow-Asuncion traveling expenses could be charged to the party budget reserve.

This matter has been coordinated with the *Committee for State Security of the USSR* (Comrade V.P. Pirozhkov).

Draft resolution of the CC CPSU is enclosed herewith.

(Signed) G. Korniyenko,

Deputy Head of the International Department, CC CPSU
